

We Can't Be FOR National Health Care AND AGAINST HR 676

If we are FOR National Health Care then we are FOR:

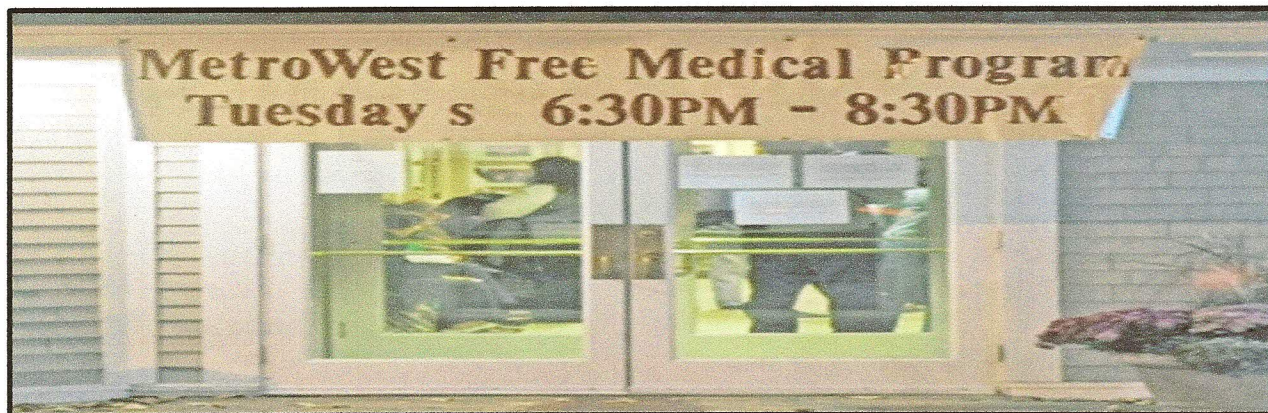

EVERYBODY IN NOBODY OUT - GIVING EVERY RESIDENT OF THE UNITED STATES AND THE U.S. TERRITORIES ACCESS TO ALL MEDICALLY NECESSARY HEALTH CARE SERVICES INCLUDING VISION AND DENTAL WITH NO CO-PAYS OR DEDUCTIBLES REGARDLESS OF EMPLOYMENT, INCOME OR HEALTH STATUS.

NON-PROFIT HEALTH CARE - THE CONVERSION OF ALL HEALTH CARE PROVIDERS TO A NOT-FOR-PROFIT SERVICE WHERE ILLNESS IS NO LONGER A SOURCE OF WEALTH FOR A FEW.

SINGLE PAYER - PAYING FOR THAT EXPANDED COVERAGE BY MAINTAINING THE PRESENT LEVEL OF FEDERAL AND STATE FUNDING FOR HEALTH CARE AS WELL AS TURNING THE PREMIUMS NOW PAID TO PRIVATE MEDICAL INSURANCE COMPANIES INTO MEDICARE PREMIUMS THAT ARE SHARED BY EVERY EMPLOYEE AND EMPLOYER.

If we are AGAINST HR 676 then we are FOR:
