

# ***Rally*** for National Health Care (HR 676) ***Sunday June 13, 2010 at 1 PM*** **At Cobo Hall**

---

*Join* RETIREES FOR SINGLE PAYER HEALTH CARE as we welcome our Delegates to the 35<sup>th</sup> UAW Constitutional Convention.

Important decisions will be made at this convention, including continuing our work for a National Health Care system. "National Health Care" or a "Single Payer system" means **"Everybody In, Nobody Out, No Deductibles,"** for health care services in America.

To achieve **"Everybody In, Nobody Out, No Deductibles,"** Congressman **John Conyers Jr** introduced **HR 676** to the 108<sup>th</sup> Congress in 2003. Conyers has reintroduced his health care reform bill in every session of Congress since, including the present 111<sup>th</sup>. And he has vowed to do so as long as he is in the U.S. House of Representatives. 87 other U.S. Representatives are co-sponsors of the bill. He needs at least 200 co-sponsors.

**RETIREES FOR SINGLE PAYER HEALTH CARE** continues to work for Conyers' **HR 676** because it returns to our union members health care benefits lost, not covered by VEBA and covered by current legislation. By providing health care for **"Everybody,"** **HR 676 would cover us.** We are rallying in support of our Union's long held goal of achieving a Single Payer system in America that leaves no one behind.

**Please join us at this Rally.**

Join us in support of National Health Care (HR 676).
